MEDICOLEGAL EXPERIENCE

Dr. Johnson has extensive medicolegal experience supporting attorneys, insurers, and the courts in orthopedic injury matters. His work encompasses:

- **Narrative Medical Reports** — Comprehensive causation, diagnosis, and prognosis reports for motor vehicle accident, workers' compensation, and slip & fall cases.
- **Independent Medical Evaluations (IME)** — Objective orthopedic evaluations for insurance carriers and defense counsel assessing injury causation and disability.
- **Workers' Compensation — Treatment Evaluations** — Authorized treating physician evaluations and treatment plans in compliance with NJ workers' compensation requirements.
- **Deposition & Expert Testimony** — Extensive experience providing testimony as a treating physician and, on select matters, as a retained expert witness in New Jersey civil proceedings.
